Important Credit Card Information:

Visa Credit Card Program Update

Beginning October 27, you will be able to access your credit card information directly through cu@home, at the Teller line or by telephone. This information includes transactions, payments, cash advances and hold items.

Please update your records to the new

Payment mailing address:

280 Commonwealth Drive
Greenville, SC 29615

If you are currently using the auto draft payment option, please contact Heather at 800-845-1035 extension 3400. If auto draft payment information is not updated by October 20, 2008 your future payments will not be processed.

Additional Update:

Due to the program update, our new system will no longer offer the Credit Insurance Program as of October 01, 2008. All Visa credit card payment due dates will change to the 25th of each month; changes in due date will be reflected on your periodic statements.

During the week of October 20, 2008, Community 1 will not be able to process cash advances in our branches. This function will be available at other financial outlets. We will resume processing cash advances the week of October 27, 2008. These changes become effective fifteen (15) calendar days from the date of this notice. Your continued use of your Credit Card after this time period signifies that you accept these changes.
